Press Release**Titagarh Rail Systems Limited launches second Diving Support Craft for the Indian Navy**

Kolkata, 30 October 2023: Titagarh Rail Systems Limited (TRSL), (formerly Titagarh Wagons Limited), launched the second indigenous Diving Support Craft (DSC) built at its facility in Titagarh, Barrackpore, for the Indian Navy in the wee hours of this morning here. The launch ceremony was graced by Mrs Laila Swaminathan, wife of Vice Admiral Krishna Swaminathan, AVSM, VSM, Chief of Personnel, Indian Navy.

The DSC was launched at 02:30 AM at the Shipyard in Titagarh, West Bengal, in alignment with the tides that facilitate deployment of the DSC in the water.

Diving Support Crafts are catamaran type vessels, with required main and auxiliary equipment sourced from indigenous manufacturers. Under the Make in India initiatives of the Ministry of Defence, TRSL is building five such DSCs for the Indian Navy. The first DSC was launched in August 2023.

Fitted with the latest diving equipment, the DSCs will meet the mission needs of Command Clearance Diving Teams (CCDTs) that are involved in providing diving assistance to all ships inside and close to harbour for underwater repair, maintenance, and salvage. These ships will also serve as the ideal platform for conducting training of the Indian Navy's diving cadre.

"We are proud and honoured to be serving the Indian Navy's critical requirement of diving craft through indigenously produced state-of-the-art DSCs pivotal to carrying out diving operations. We look forward to catering to the nation's needs in strengthening its defence capabilities," said Umesh Chowdhary, Vice-Chairman and Managing Director, TRSL.

About Titagarh Rail Systems Limited

Titagarh Rail Systems Limited (TRSL) offers mobility solution to billions with its prominent presence in both the Passenger and Freight Rail Systems including railway wagons, components, passenger coaches (EMU/MEMU) and Metro Coaches. TRSL is the largest private sector manufacturer of railway wagons and an established player in passenger coaches. The Company has been awarded the largest ever order for wagons by Indian Railways in addition to the orders for manufacture and supply of Metro Tains for Pune , Bangaluru, Ahmedabad and Surat Metro projects. TRSL is also the co-recipient of prestigious orders for Vande Bharat trains & Forged Wheels. The full aluminium body Metro Coaches for Pune are being manufactured at its state-of-the art facilities in Uttarpara, West Bengal, with the design developed in partnership with its Italian venture. TRSL is present in the entire gamut of rail systems and proud to be a part of Atma Nirbhar Bharat and Make in India initiatives of Govt. Apart from Uttarpara, TRSL has engineering infrastructure in Titagarh in West Bengal and Bharatpur in Rajasthan.
